

Customer Pricing Sheet

Below is a list of all fees for the Wedge Financial, Inc. digital app (the Wedge app) and debit card. All fees assessed by us are deducted from the available balance in Funding Source you designate within the Wedge app. If your Funding Source does not have sufficient funds available to cover a fee, the amount of such fee will be deducted from any funds subsequently loaded to your Funding Source. The fees that apply to your Wedge app and debit card are as follows:

All Fees	Amount	Details
Monthly Usage		
Monthly Fee	\$3.99	Monthly fee is assessed on a monthly basis and is billed on the 1 st of every month. The monthly fee may be increased to \$3.99 per month at the customer's discretion by upgrading to Wedge Pro, which includes more features and trading opportunities .
Withdrawals		
ATM Withdrawal	\$0.00	Wedge does not charge ATM fees, although the ATM network/provider may charge fees that will be passed through directly to the user.
ACH Fees	\$3.00	Wedge will charge \$3.00/transaction for funds moved from the Wedge environment/brokerage account to other 3rd party institutions.
Information		
Automated & Live Agent Phone Calls	\$0.00	No fee for each customer service contact with a live agent.
Email and Text Message Alerts	\$0.00	Wedge does not charge directly for email and text message alerts, but the user's carrier and plans may have standard rates that apply.
Other		
Inactivity Fee	\$3.99	Wedge will charge its standard monthly fee of \$3.99 per month while the user holds an active account with Wedge. The user may elect to cancel their account at any time, at which point the monthly fee will no longer be charged.
Asset Under Management (AUM) Fee	0.00%	Wedge does not charge an AUM fee.
Crypto transaction Fee	\$0.00	Wedge does not currently charge a fee for cryptocurrency transactions.
